

# Parent to Parent

**Do you have a child with Ulcerative Colitis or Crohn's Disease?**

**Would you like to talk to another parent whose child has one of these conditions?**

Talking to someone who understands can provide emotional and practical support.

Parent to Parent is a free and confidential telephone service provided by NACC to parents of children up to the age of 21. If you would like to speak to one of our parent volunteers, please call our Information Line to arrange a suitable time.

**NACC Information Line**  
**0845 130 2233 (local rate) or 01727 844 296**

The National Association for Colitis and Crohn's Disease (NACC) provides a range of information and support that parents may find helpful.

## **New Booklet (2010)**

IBD in Children: a parent's guide

## **Information Sheets:**

- Children and Young People with IBD: a guide for schools
- Measles virus, MMR vaccination and IBD
- IBD Concerns for Young People
- Claiming Disability Living Allowance for children under 16

For a full publication list, contact the Information Line or see the list on our website at [http://www.nacc.org.uk/downloads/NACC\\_PublicationsList.pdf](http://www.nacc.org.uk/downloads/NACC_PublicationsList.pdf)

## **Other Support**

Young Person's Educational/Vocational Grant for 15-25 year olds with IBD in full or part time education.

DLA Support Service: trained volunteers can help with queries relating to claiming Disability Living Allowance.

IBD and Me: an online discussion forum on the NACC website for 16 – 29 year olds.
